PETITION TO CORRECT INVENTORSHIP
under 37 CFR 1.48(a)(1)

Hon. Commissioner for Patents
Box 1450

Sir:

Applicants ask that the inventorship in this application be corrected — following the correction of the misfiled Declaration and Power of Attorney document in this case. Please issue a corrected filing receipt reflecting the inventorship in this application — as set forth in the accompanying Substitute Declaration — thus:

Francesc Subirada (a citizen of Spain),
Pau Soler (a citizen of Spain), and

per of another, separate application: 09/919,260 — while the original Declaration and Power in that case was originally misfiled in the wrapper of this present case.

The present Examiner in that companion '260 case, Ms. Charlotte Baker, has informed me that she has now corrected the misfiling of both Declaration and Power documents. It is my understanding that Ms. Baker has ensured that the two files were electronically swapped and that they are both now in the correct files.

A current, cofiled Amendment in the present case asked that these two documents be swapped to bring the records of the United States Patent & Trademark into conformity with the applications to which those documents actually apply, as seen from the faces of both documents.

Respectfully submitted,
